

OF EQUAL VALUE.

NEW YORK, Nov. 15.—A curious sale was made in the auction real estate exchange, yesterday. It was a new Number 11 in Grace Church, and it brought \$3,675. The pew was sold by the estate of Francis Jones. Another sale that attracted attention was that of thirty shares of stock of the Keely Motor Company which once attempted to manufacture a perpetual motion machine. The stock brought \$1.

NEW YORK, Nov. 15.—Two thousand and cloakmakers last night threatened to go on a strike to force the employers to introduce sewing machines to be driven by electric power instead of the foot power machines. A general strike, it was stated, may follow the refusal of the demands.
